BLUEBERRY

Angel cloud cake
Blueberry ice cream
Drunken blueberries
Southbrook Vineyards Canadian Blueberry Ontario

The Journey

It began in 2003 as The World's Longest Barbeque, a massive, Canada-wide response to the sanction of Canadian beef exports by our largest trading partner and the dramatic hardship it imposed on our agricultural community. The WLBBQ was a huge success and has evolved into Food Day Canada®, an annual mid-summer celebration when we share Canada's rich culinary heritage, our delicious northern bounty and the best managed food system on the planet.
