

JUNIPER
kitchen | wine bar

Valentine's Day falls on a Sunday this year, which means that we have a Valentine's Weekend. Join us Saturday February 13th or Sunday February 14th for romance, live music and great food.

We have the pleasure of hosting Marcello DeLuca, a talented piano & accordion player. He will be playing from 7pm to 11pm on both evenings.

Our reservations will be separated in two seatings; early and late. The early seating is between 5pm and 630pm and will have a time restriction of two and a half hours. The late seating is between 730pm and 9pm and will not have a time restriction. Both early & late seatings will be offered an a la carte menu but only the late seating will be offered a four course Aphrodisiac menu with optional wine pairings. We promise you will leave Juniper in a mood of romance with stimulated senses and a satisfied palate.

The month of February is also host to Winterlude. Two Winterlude Table d'Hote menus will be offered until February 21st.

We can't forget to mention that our Dueling Chefs 2010 fundraising competition is still going strong and are almost all sold out. Please visit juniperdining.ca for further information.
