Juniper's Duelling Chef Challenge

It's a long, cold dark winter in Ottawa. Monday nights will be a time to come out and watch Ottawa's best cooks at play, working their kitchen magic and making delicious, innovative meals to delight your palate and excite the soul.

Juniper's Duelling Chef Challenge is a cook-off involving chefs from Ottawa and the Ottawa valley region hosted by Juniper Kitchen and Wine Bar. It will occur Monday nights, starting on January 11, 2010 through to March 15, 2010. There will be no competition on Monday February 15 – we expect that everyone will be burned after having served the Saint Valentine's weekend; the challenge may be extended to the end of March

The competition will involve two teams: Team Juniper and the team representing the restaurant/chef invited on the chosen Monday evening. Each team will consist of three members: each Chef working with two other cooks. The teams will have a set amount of time to produce a four course tasting menu to be served to a live audience, as well as to the Judges working on the evening. The Teams will be competing for bragging rights on any given Monday night over the winter of 2010.

We will be closed on,

December 31st this year for a private function
